4. ANNOUNCEMENT BY THE PRESIDENT REGARDING ADJOURNMENT MOTIONS

Mr. President: A number of notices of Adjournment Motions have been received. One is from Mr. P. Govinda Menon *to discuss a matter of urgent public importance to wit namely the situation arising out of the lockout in the Karuvannur and Panamkulam Tile Factory after the issue of the Government Order upon the report of the Adjudicator on the dispute between the employers and the workmen of the factories.*, and on the same subject there is an adjournment motion from Mr. P. K. Dewer, namely *to discuss a matter of urgent public importance namely the situation created by the lockout of the Karuvannur and Panamkulam Tile Factories consequent on the order passed by the Government on the adjudication award on the Trade dispute in these factories.* There is a cut motion also from Mr. P. K. Dewer, *to raise a discussion on the inability of Government to implement the orders of Government on Adjudication awards.* If the Hon'ble Members agree the adjournment motions can be discussed along with the cut motion.

Mr. P. Govinda Menon (*Ernakulam*): I fear, Sir, that the cut motion is restricted in scope and therefore I would very much prefer to have the Adjournment Motion.

Mr. P. K. Dewer (*Nominated*): I request that the cut motion also may be admitted now because it is on a supplementary grant and we do not know whether the cut motion will come in for discussion.

Mr. P. Raman Menon (*Advocate-General*): I beg to oppose the motion.

Mr. President: What is the procedure about the admission of the adjournment motion? Please let me have a look at it. When the President is of opinion that the matter is in order, it shall be read in Council and the sense of the House taken. I rule that the motions are in order and therefore I read the motions, *i. e.*, the motion from Mr. P. Govinda Menon. That is, to discuss a definite matter of urgent public importance to wit the situation arising out of the lockout in the Karuvannur-Panamkulam Tile Factories after the issue of the Government order upon the report of the Adjudicator on the dispute between the employers and workmen of the factories. That motion is admitted.

Mr. P. K. Dewer (*Nominated*): If that motion is admitted I do not want to move my motion.

Mr. President: I should like to know whether the Hon'ble Member has the leave of the House.

Mr. P. K. Dewer (*Nominated*): Has it been objected?

Mr. President: No, but I must read it and ask the Hon'ble Members whether the mover has the leave of the House.

Mr. P. Raman Menon (*Advocate-General*): I beg to object to the motion.....

Mr. P. K. Dewer (*Nominated*): Has it not been already ruled that it is admissible?

Mr. President: No, No, I said that it is in order.

Mr. P. Raman Menon (*Advocate-General*): This matter has been the subject matter of judicial Proceedings both in the Civil Courts and in the Criminal Courts. What the Government have done in the matter was after the adjudication award was passed, Government promptly issued orders to implement the provisions that are contained therein.

Mr. President: Is it then a matter subjudice?
